Judging criteria & information

First of all, this is **NOT** a *Concours d'Elegance* judging event where every nut, bolt, hose or clip must be as it left the factory. This is because there are too many vehicle types to find experts for every vehicle. **We're not 'racing for sheep stations' - we're here to have a fun day with friends. There is no new car, overseas holiday or large sum of money on offer. We do however have some very cool, hand-made trophies, kindly donated by the Bulahdelah Men's Shed.**

The judges will be looking for evident defects or blemishes. No points are allocated or deducted for additional chrome or modifications, i.e. painted wheels will be rated equally with mags or chrome wheels. Likewise, a painted rocker cover will be judged the same as a chrome rocker cover in similar condition. Braided wiring receives no more points than good original wiring etc.

As this is an open air show, NO penalty or loss of points will be given for airborne dust (or rain water) on the day. Judges are looking for the cleanest, straightest and best presented vehicle. Judges will not judge their own vehicles or the vehicles of fellow club members because of potential & perceived bias.

Cars to be judged must be accessible to the judges, ie: unlocked with bonnet and boot open, from the commencement of judging at 10am. Bike seats must be able to be opened by judges. If a judge cannot easily get access to any part of the vehicle, then it **WILL NOT** be judged. A vehicle wouldn't be competitive if it lost all points for one section (eg: bonnet closed). Therefore, in the interest of time saving for judges, it is pointless judging the rest of the vehicle.

Important: Judges will move swiftly (at their own pace) in order to speed up the process. The time they spend at any particular vehicle is **irrelevant**.

Finally, please remember that this day is about fun and laughs. Have a chat with some old friends, make some new ones and enjoy the music and atmosphere. We hope you enjoy the day and come back again next year. Our aim is to show people that Bulahdelah is a fun and friendly place.

Thank you,
